MEMORANDUM

June 11, 1964

TO: Mr. J. Lee Rankin

FROM: Arlen Specter

If additional depositions are taken in Dallas, I suggest that Jim Tague, 2424 Inwood, Apartment 253, and Virgie Rackley, 405 Wood Street be deposed to determine the knowledge of each on where the missing bullet struck. These two witnesses were mentioned in the early FBI reports, but they have never been deposed.
